RESEARCH EXPERIENCE

2017- Principal Investigator: Chinese Working Holiday Makers in Australia.
Conducted multi-sited ethnographic fieldwork, in-depth interviews and participant observation in Australia and China, to explore inequalities in transnational youth mobilities related to visa status, race, class, education, gender and sexuality, age and nationality.

2020-22 Graduate Research Assistant: COVID-19 impact on Asian and Asian American students in the USA.
Worked with Professor Angie Chung's team at SUNY Albany. Designed and conducted interviews and surveys on COVID-19's effects on Asian students' wellbeing. Contributed 15 initial and 6 follow-up interviews out of a total of 44.

2021-22 Graduate Research Assistant: Immigrant Growth Machines & Chinese Transnational Capital in LA.
Worked with Professor Angie Chung's team. Conducted interviews with Chinese businessmen and local policymakers in LA. Collected and organized media reports.

2015-17 Principal Investigator: Internal migrants in Guangzhou, China.
Authored three chapters in "*China in an Urban Village: Sanyuanli—Explorations of the Arrival Community for Migrant Workers*." Conducted the oral-history project "*The Oral History of Migrant Workers in Guangzhou*," producing a 50,000-word volume based on life-history interviews with 10 migrant workers. Led a mixed-methods study on the living conditions of recent university graduates in Guangzhou's urban villages. Designed and ran two-year community-empowerment initiatives for migrant workers, including a writing class, an English class, and a "*Theatre of the Oppressed"* workshop.

2014 Principal Investigator: Transnational Marriage in Taiwan, Taipei.
Conducted life-story interviews, focus groups, and participant observation to study transnational brides' lived experiences in Taiwan; completed a master's thesis based on this project.

2012-13 Principal Investigator: Chinese Factory Girls Born in 1990s, China
Conducted in-depth interviews and digital ethnography for undergraduate thesis on fragmented subjectivity shaped by the state, capitalism, and patriarchal culture.

2012 Principal Investigator: Immigrants Living with Mental Illness, Macau

Research internship at the Richmond Fellowship of Macau; assisted social workers supporting immigrant clients living with mental illness. Conducted participant observation and wrote a research paper on social-work practice in mental health with immigrant communities.
